# BELLEWOOD NEWSLETTER

TERM: WINTER | ISSUE 4 | JANUARY 2020

## HAPPY NEW YEAR!

Hello Bellewood residents. My family and I hope that each of you had a very Merry Christmas, a Happy Holiday and a wonderful New Year. Hopefully you were able to notice the red decorative bows that we placed all over the city. I would like to recognize my wife, Sara, for taking the initiative to get those made and placed on every street. I would also like to thank Franny Heyburn and Emmy Kupper for their help in volunteering to take those off and delivering back to us so that we can save them for next year.

The weather has been both mild and cold for this time of year which has not lead to any snow accumulation to date. If and when we do get some accumulation, please know that we do have a continued agreement to have our city roads cleared of snow. With wintertime, colder weather, and dark mornings, there is only one other thing that you can count on and that is the annual Bellewood property taxes in your mailbox. Please make sure you have received your property tax bill(s) in the mail. Several of our residents have a unique plot where they have 2 property tax bills. Don't forget about that second bill. As has been customary from years past, if you pay your property tax bill BEFORE March 1, 2020, you will receive a 40% discount. Don't miss out! If you have misplaced your bill and need a second copy, please email us at [CityOfBellewoodKY@gmail.com](mailto:CityOfBellewoodKY@gmail.com) and we will take care of that for you.

With each passing day, we are getting one day closer to spring. Over the next few months, we will gain between 90 seconds and two minutes of daylight each day. The commission hopes everyone had a safe New Year and that 2020 is a prosperous and joyful one for you.

- Mayor Mark Klein

## 2020 CITY OF BELLEWOOD TREE GIVEAWAY

Over the last several years our city has slowly lost several mature trees due to mother nature, renovations, and age. We have lost the canopy of beautiful trees that have lined the streets of our city. To that end, the commission wants to offer up **10 TREES FOR FREE** to be planted in the easement of 10 different homes within the city. Currently, we offer up to \$150 for trees (black maple, sugar maple, blue ash, ginkgo, white oak and others) to be planted within 10-15 ft of the road. Are you willing to plant a new tree in your front yard? Are you worried about the leaves that will be falling in your yard? If you are, remember that these trees take years and years before they mature and before leaves and extra yard maintenance is required. We would love to get requests from residents so that we can have these planted in the spring. If you are interested, please email us at [CityOfBellewoodKY@gmail.com](mailto:CityOfBellewoodKY@gmail.com) and we will make it happen.
