Commission Meeting Minutes -July 21st, 2020

Special Meeting was called to order at 6:31pm by Mayor M. Klein

** Due to COVID-19 the meeting was held via Zoom call. The meetings will continue to be held this way until further notice**

Present: Mark Klein (Mayor), Bruce Gale (Commissioner), Steve Dougherty (Commissioner), Doug DeMoss (Commissioner), Austin Kupper (Commissioner), and Amanda DeMoss (clerk)

Guest: Finn Cato (City of Bellewood lawyer)

New business:

1)Ordinance Updates with Finn Cato

- in order to ensure that that ordinances were enacted properly, we consulted with American Legal Publishing

- The American League of Publishing proposed an agreement with 2 options:

1)They will codify the ordinances we already have and put up on their website

- The base rate for this is \$400 (\$200 of that is a yearly fee and the other \$200 is for posting to their website.

- They can do it within the time frame of the next meeting, so that we can have the first reading take place at the next meeting.

- This option will save the City a lot of money

2) They would put together a basic set of ordinances for Kentucky

-The fee for this option is \$6000 and the time frame is 4-6months

- If we pick option 1; we could have a special meeting in September for the first reading with an October dead-line.

To do list for Commissioners: go through all the ordinances for the next meeting

-Call for a motion to approve and move forward with Option 1

- Motion to approve by Bruce G., seconded by Austin K.

2)Elmwood Sidewalk repair

- The repair is \$2000

-Bruce suggested building up the concrete, so its not a trip hazard. This is much cheaper.

**** Doug DeMoss had to leave the meeting****

3) June Meeting Minutes

- Motion to approve by Austin K., seconded by Bruce G.

4) Budget approval for 2019/2020 fiscal year

- Dixie said the budget didn't add up, so Mark will have to adjust the numbers
- Motion to approve by Bruce G., seconded by Steve G.

5) Road Estimate

- the paving quote was very high (\$112,000 for ½ inch)
- we are going to wait on paving the roads for now
