

MONTHLY MEETINGS

The City Commission is meeting in person monthly. We meet the second Tuesday of each month and currently meet on my back porch at 6:30. The location will change when the weather cools. Please reach out if you would like to attend.

REACH ALERT

The City has enrolled in the REACH ALERT system for 2022. Please see the backside of the newsletter to enroll. This will be the method of communication moving forward.

CITY-WIDE BLOCK PARTY

The block party will be on the calendar again for this year. More details to come on a specific date and time!

BELLEWOOD NEWSLETTER

TERM: SUMMER | ISSUE 13 | JULY 2022

HAPPY 4TH OF JULY

Hello Summer and hello Bellewood. The Ohio Valley heat that we are used to has settled in and doesn't seem to be going anywhere anytime soon. The Commission hopes everyone had a safe, fun, and enjoyable 4th of July weekend. We have a lot to be thankful for in this great nation and I hope that you were able to celebrate with friends and family. Since the last newsletter, our meetings have been quite busy with making sure the city continues to follow our ordinances as well as the City of Louisville's ordinances. We are also getting

close to getting some new paving for a few streets within the city. More communication to come when this is approved and a date is on the schedule.

Our fiscal year ended on June 30 so we now have a new budget for the 2022-2023 year. This will be posted on the city website (www.bellewoodky.org) after our July meeting. If you need to find any information on ordinances, current commissioners, city financials or meeting minutes, you will find that information on the online. Meeting minutes and financials will be posted after they are approved each month. Along with roads being part of our goal this summer/fall, we have also made contact with a security company to potentially begin driving our streets. Lots of details still need to be ironed out before this happens as there are many options for patrolling between security companies that are less expensive and off-duty police officers that are more expensive and are able to enforce more laws. Please let the Commission know if any neighbor has issues with crime, vandalism, or any other type of nefarious behavior.

One thing that does get reported more than anything is unwanted guests going door-to-door at night looking to see what cars were left unlocked at night. Please be sure to lock cars and doors at night so that these things don't happen to you.

Be on the lookout for more exciting things to come within the city. If anyone has ideas for things to improve the city, please let us know as we are here to serve you and Bellewood. Enjoy these long summer days, walks around the city, and stay friendly to one another.

- Mayor Mark Klei
